

# HighLighter™ LED Economy | Mini-Lightbar

## Features

- Solaris® LED reflector technology
- ROC (Reliable Onboard Circuitry™) technology
- Highly effective 360-degrees of light output
- Low profile; only 2.6" tall; 15" long
- Offered in Amber LEDs only
- Dome available in Amber and Clear
- Five-year LED warranty

## Approval

- SAE J845, Class 1

## Applications

- Construction
- Landscape vehicles
- Pick-up trucks
- Snow plows

454205-02SC

CLASS 1

ROC  
RELIABLE ONBOARD CIRCUITRY™

SOLARIS

Model	Description
-------	-------------

<b>Suction-cup magnet mount, cigarette plug with on/off switch</b>	
454204-02SC	Amber LEDs with Amber dome
454204-25SC	Amber LEDs with Clear dome
<b>Permanent Mount Models</b>	
454205-02SC	Amber LEDs with Amber dome
454205-25SC	Amber LEDs with Clear dome
<b>Magnetic Mount Models</b>	
454206-02SC	Amber LEDs with Amber dome
454206-25SC	Amber LEDs with Clear dome

**NOTE**

- See page 36 for mounting kits
